CARTER FRITSCHLE, being first duly sworn upon his oath, deposes and says that:

1. I make this affidavit based upon my own personal knowledge and belief of the facts contained herein.
2. I am employed by the Idaho Department of Water Resources as a Technical Section Manager with the agency's Adjudication Bureau. My duties include the investigation and recommendation of claims to water rights in the Snake River Basin Adjudication.
3. In response to objections filed by the City of Caldwell to its claims to groundwater, I have analyzed and reviewed the information available to support the City's claims. Such information includes historical minutes of City of Caldwell Council meetings dating from approximately 1900, and historical maps showing the City's water system, dating from approximately 1890.

4. My analysis and review of the available information establishes that the City of Caldwell has underclaimed its water rights in the total quantity of approximately 4.75 cfs. I have suggested to the City that if it amended the above-referenced claims to add quantity, I would be prepared to issue recommendations of such rights with increased quantities.

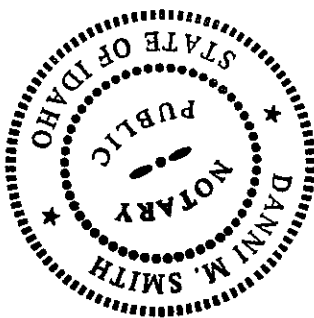

Further your affiant sayeth naught.
