Gregg Draney called advising that his correct address is Box 88. Our mixup on his address.

He said that he had already met with Bryce and thinks all the issues mentioned in the letter have been resolved. He called Bryce and read him the letter(s) and Bryce said I think if they (meaning us) look in the file all of the issues mentioned in the letter will be addressed. I told him that we were having a staff meeting tomorrow and if Bryce was at the meeting, I would try and get the two together.

I encouraged him to make an appointment with you. Did so October 11 at 11 am. He said that he would contact the other Draney and if they wanted to also come they may come. If they don't want to come, he would come along.
