Re: *Water Right Nos. 35-07210 and 35-07369*
Allen Farms

Dear Judge Melanson:

I am writing to follow up on my letter to you dated October 21, 2008, a copy of which is enclosed herewith, with respect to the above-referenced water rights. As explained in that letter, there appears to be a clerical error in the Partial Decrees entered in Subcases 35-7210 and 35-7369. We are hopeful that the error can be corrected without formal proceedings. Please let me know if there is anything further we need to do with regard to this matter at this time.

Respectfully,

Randall C. Budge

Re: *Water Right Nos. 35-07210 and 35-07369*
Allen Farms

Dear Judge Melanson:

I am writing with respect to the above-referenced matter and your *Order of Amended Partial Decree* dated September 23, 2008, and the attached Partial Decrees, copies of which are enclosed for your convenient reference. The place of use under both Amended Partial Decrees incorrectly reflects 367.0 acres, rather than 390 acres. Accordingly the Amended Partial Decrees are the same as the original Decrees issued January 31, 2002, and do not reflect the Special Master's Report and Recommendation dated July 23, 2008 (copy enclosed) which provides that "IT IS RECOMMENDED that the *Partial Decrees* in Subcases 35-7210 and 35-7369 be set aside and amended to include the 390 acres described in the licenses and SRBA Claims."

Would you kindly review this matter and determine if the Amended Partial Decrees can be corrected, as it appears that the mistake is due to inadvertence or oversight.

Thank you for your consideration.

Respectfully,
