RE: SRBA Subcase Nos. 22-13866, 22-13868 & 22-13870

Dear Mr. & Ms. Cooke:

On February 17, 2009, I mailed you a Standard Form 5 ("SF5") for each of the above-referenced water rights. The SF5 is the document required by the Snake River Basin Adjudication Court to resolve water right disputes. To date, I have not received the signed SF5s back from you.

If you have questions or concerns regarding the water right recommendations contained within the SF5s, please don't hesitate to contact Michael Holliday, Senior Water Resource Agent at IDWR's Eastern Regional Office in Idaho Falls. Mr. Holliday can be reached at 525-7161.

If the SF5s are acceptable, please sign on the indicated signature lines, initial the revised recommendations and return the original SF5s to me in the self-addressed stamped envelope that I have enclosed for your convenience.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "Ray Williams".

Ray Williams
Paralegal
