Re: Recommendations for right numbers 75-4089, 75-10139 & 75-10140.

Dear Mr. Edwards:

We have modified the outline of your property as we believe was requested on your "Notice of Error Reply". This also changed the number of acres on each right. Please keep these documents for your records.

We also added your name and address as a "Representative". Hopefully this will insure that you get correspondence in a timely manner.

After you receive the Director's Report, you may file an objection with the Court if you still disagree with any portion of your water right.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Gregory J. Taylor
IDWR
