Dear Sir,

We have filled out the notice of error forms for the ditch on our ranch. The forms were sent to Eugene and Viola Edwards. Eugene died 11 years ago. Correspondence is being sent to Viola, who is in her eighties, and by the time we get this information, we sometimes don't have time to answer in a timely manner. Paul Edwards is Eugene and Viola's son and has operated the ranch the past 23 years. The ranch will eventually be turned over to Paul when when it turns into an estate. We would like to know if any further correspondence could be sent to Paul. His address is:

Paul Edwards
P.O. Box 747

Thank you for your consideration,

Sally Edwards (Paul's wife)
