RE: Snake River Basin Adjudication (SRBA)
Notices of Claim to a Water Right #2-7212 and 2-7090A

Dear Board Members:

I wanted to give you a chance to compare the company boundary for the water rights. The solid green line is the boundary recommended in the Director's Report and to which BLM objected. The light green block shows the adjustments and new boundary that would be used to settle the water rights with BLM in SF5s.

I have a 10,000-foot view of the entire company and two others from 5,000 feet to give you more detail of the changes to compare.

Please have Ms. Daniel call or write communicating your reaction to these changes. I can move forward after I hear from your office.

Sincerely,

Donald V. Shaff, MPA
Adjudication Bureau Chief
