Re: Subcase Nos.: 02-2277

Dear Mr. Landis:

Enclosed please find the original document entitled "Standard Form 5 – Stipulated Elements of a Water Right" (commonly referred to as SF 5) for the above referenced subcase no. for Basin 02. Please review the recommendation. If all the information is correct, please sign and date the first page of the original and initial the pages entitled "Recommendation of Water Rights Acquired Under State Law."

It is the Department's understanding that Mr. & Mrs. Miller's estate is currently in probate. If this is the case, would you please include copies of their death certificates with the return of the enclosed documents? The Court will not file the documents unless it is fully executed and since that is not possible a copy of the death certificates will help explain to the Court the absence of the Millers' signatures. Also, once the transaction of the property has been completed, the new owner will need to file a change of ownership.

After the documents have been signed and initialed, **please return the documents to our office in the self addressed stamped envelope** provided for your convenience. Our office will gather the remaining signatures and make sure the documents are subsequently filed with the Court.

If you have any questions regarding this process or the enclosed documents please do not hesitate to call me at 287-4814.

Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Renea Ridgeway".
