RE: Questions concerning Coeur d'Alene-Spokane River Basin Adjudication claim 95-10192 and license 95-9913

Dear Claimants:

The Idaho Department of Water Resources recently received the Notice of Claim to a Water Right you filed for domestic and stockwater use from a well. We received \$25 in claim fees under receipt #T088246.

Based on the claim remarks, I have a few questions.

1. In the claim remarks, you mentioned a license. Your group has a water right license 95-9913 (formerly 96-8369) for domestic, stockwater and irrigation. Was it your intention to claim the license?
2. The claim filed online did not include irrigation licenses, but license 95-9913 did. Was it your wish to include irrigation?
3. We do not currently have a claim on file that duplicates the license. We just have the claim filed online which, as you see, does not duplicate the license. Do you intend to file on the license or, again, did you mean for the claim filed online to replace the license?

As I'm sure you can imagine, before we proceed, it would be beneficial to have further information. Please contact me at (208) 287-4907 to discuss your claim so I know how to proceed.

Sincerely,

Monica Van Bussum
