Re: Snake River Basin Adjudication Water Right Claim No. 47-2025; Notice of Change in
Water Right Ownership Form

Dear Ms. Ridgeway:

Enclosed herewith you will find a completed Notice of Change in Water Right Ownership form relating to SRBA Water Right Claim No. 47-2025. Although we have filled out the Notice to reference a change in ownership, the current referenced owner of the water right is an assumed business name rather than the actual name of the owning entity. The formal name of the entity is the Y-3 II. Y-3 II is an Idaho general partnership which acquired the ranch property, to which the water right is appurtenant, on May 13, 1988. This entity has been the owner of the land and the related water right since May of 1988 but has occasionally operated under the dba, Y3 Ranch, and as such had applied for the original water right transfer under that name.

Please process the enclosed Change in Water Right Ownership form to correctly reflect the ownership of the SRBA Water Right Claim No. 47-2025 as being Y-3 II. If you need any additional information please contact me.

Thank you very much for your attention to this matter.

Best Regards,

CHRISTOPHER W. "KIT" CLARK
