To whom it may concern:

In May of 1987, the city of Tetonia purchased 20 acres of land from Lois McCulloch property #29-6-45 to build a sewer lagoon on for use by the city of Tetonia, no intent of water right included. I, Rex Jardine, the current mayor of Tetonia have searched the city of Tetonia's records and to my knowledge there are no records that indicate that the city of Tetonia ever intended to obtain or use any portion of the McCulloch's water right # 22-2281 with this purchase.

The city of Tetonia has never used this water right nor did they file on it and has no objection in allowing the completion of the accomplished transfer of that water right to adjacent farmland owned by Lois McCulloch as was filed on and used by Lois McCulloch (now titled as McCulloch Ranches LLC).
