RE: 95-10358

Dear Mr. Van Skaik:

We have reviewed your Notice of Claim. The date of priority is listed as March 29, 2009. The date of priority is the date that the water was first use not the date the claim was signed. We suggest that you may want to review that date. We are returning you claim to review the date and return it to our office.

In the remarks you mention that water is taken from Spirit Lake for lawn irrigation. When a water diversion is started after May 20, 1971, from a surface water source, an appropriation permit must be obtained.

Thank you for your assistance.

Sincerely,
