STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA

Subcase No. 75-10678

Case No. 39576

STIPULATION TO RESOLVE
USDI-BLM OBJECTION

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The claimants (Johnny J. Cabigas and Lana J. Greenway), objector (USDI-BLM), and IDWR agree and stipulate that the place of use element of this water right should be described per the attached recommendation. This stipulation resolves only the USDI-BLM's objection seeking clarification of the place of use element and does not resolve the objection of the claimants nor the issues of the other parties. The United States requests that it not be dismissed as a party so that it can monitor the subcase to ensure this settlement is included in the eventual decree of this claim.
