MOTION TO FILE A LATE NOTICE OF CLAIM

A *Motion to File a Late Notice of Claim* will require a hearing before the Presiding Judge.

- ☐ I did not file a Notice of Claim to the use of the water in the SRBA because:
- ☐ I filed a Notice of Claim and elected to defer judicial proceedings on my domestic or stock watering use. I desire to reinstate my Notice of claim for domestic or stock watering use.
- ☐ I am providing legal and factual documentation for my claimed use of water. You must described these documents and attach a readable copy. (You do not need to fill this out if you are reinstating a Notice of Claim for domestic or stock watering use, but you **must** attach a copy of your Notice of Claim.)

I have attached:

- ☐ A fully completed Notice of Claim (available from IDWR).
- ☐ A claim filing fee for a domestic and stock watering use. IDWR may charge this fee pursuant to I.C. § 42-1414. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$_____.
- ☐ A claim filing fee and a late claim fee for those claims other than a domestic or stock watering use for which a notice of claim was not filed. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$_____.

Follow these instructions regarding the hearing on this motion.

1. Contact the Clerk of the SRBA Court (208-736-3011) to request a hearing date and time.
2. Fill in the following information:

This motion will be heard on:

at the SRBA courthouse, 253 Third Avenue North, Twin Falls, Idaho.

MOTION TO FILE AN AMENDED NOTICE OF CLAIM

A Motion to File and Amended Notice of Claim may require a hearing before the Presiding Judge or Special Master or may be granted by leave of the court or by written consent of the parties and the Idaho Department of Water Resources. Leave to amend a claim shall be freely given when justice so requires.

X I must amend my Notice of Claim to the use of the water in the SRBA because:
For some time now, Claimant has been involved with several other canal companies attempting to work out a compromise of objections filed by down stream canal companies against the rights known as "recovered water" rights of canal companies. Even though said negotiations are ongoing, the court has ordered that all claims in Basin 27 MUST be filed by April 10 which causes Claimant to file this amended claim out of caution. The only modification to the present recommended right made by this amended claim is to add the two additional beneficial use rights: Recharge for Irrigation & Recovery of Project Water for Irrigation. Any groundwater diverted from under the lands of Claimant's shareholders or within its boundaries is also groundwater resulting from irrigation from water under the irrigation works of Claimant and is recovered by Claimant or its shareholders for further use on the lands of Claimant's shareholders under the irrigation works of Claimant within which said lands are located and appurtenant. This recaptured project water shall be administered separately from all other water rights within its particular basin and the Snake River Basin.

X I am providing legal and factual documentation to support my amended Notice of Claim. You must describe these documents and attach a readable copy.

The basis of the additions made in the amended claim is ground water and water resulting from irrigation under the irrigation works of **Little Butte Irrigation Co. Ltd.** ("Irrigation Entity") and being recovered for further use on lands within Irrigation Entity's boundary or to which the shares of said Irrigation Entity are appurtenant. The rights are based upon the following: Decreed, Accomplished Change in purpose of use pursuant to I.C. 42-1425 & Recovering Ground Water as a Result of Irrigation pursuant to I.C. 42-228.

I have attached:

X An Amended Notice of Claim (available from IDWR).

☐ Payment of the following additional fees required by IDWR:
