Dear Ronald and Laurel Deschamps,

I received the below e-mail from Ken Knoblock from the IDWR regional office located in Coeur d'Alene. Ken notified me that your house was built in 1950 because if the use of water for domestic purposes on your property actually commenced after May 20, 1971, then you would need to file a different form. Your claim indicates that use started in 1972.

However, it sounds like use probably started around 1950 if that is when the house was built. If this is the case, you will want to amend your claim to reflect a more accurate priority date. I can't change your claimed priority date without your signed approval in the form of an amended claim. For your convenience, I have attached an amended claim for your review. Please look over the claim and make any changes you feel appropriate. When satisfied, sign the claim and return it to this office at:

IDWR
 ATTN: CRAIG L. SAXTON
 PO BOX 83720
 BOISE ID 83720-0098

Or, you can return it to the Coeur d'Alene office at;

IDWR
 ATTN: ADJUDICATION BUREAU
 7600N MINERAL DR SUITE 100
 COEUR D ALENE ID 83815

In addition, on the amended claim I changed the tributary from Brickle Creek to Spirit Creek. Brickle Creek is actually tributary (flows into) to Spirit Lake. Spirit Lake then is tributary (flows into) Spirit Creek. I have highlighted the changes I have made in yellow. If you disagree with this, you can change it back. This is your claim so you need to make sure you claim what you feel is appropriate.

If you would like me to send you a hard copy of the amended claim please don't hesitate to ask. I just thought I would send this one by e-mail simply because it is faster. With that said, if you have the time, could you send me a quick response to this e-mail so I know you received it?

Please don't hesitate to contact me with any questions.

Sincerely

Craig L. Saxton

Craig - I got a phone call from Ronald Deschamps last week who filed on line. In the conversation the date of priority and the age of the house. I understood that he enter a date after 1971. I checked our taxlot information

4/17/2009

and it shows that house was built in 1950.
