)

On April 17, 2009, the parties listed on the attached attendance sheet met in Twin Falls, Idaho, at the SRBA Courthouse for a settlement conference.

The parties worked diligently and discussed many issues with the settlement moderator. The parties discussed settlement options, but did not reach a final settlement. At the conclusion of the settlement conference, the parties asked for an additional settlement conference to be held on either June 15, or June 19, 2009. This settlement moderator is available both days. After counsel provided available dates, the date of June 19, 2009, seemed to be the preferred date.

The parties requested the trial schedule be altered to accommodate the additional settlement discussions. Specifically, the parties request that the deadline for summary judgment be adjusted.
