E. **REASONS SUPPORTING OBJECTION(S):**

The United States of America, through the U.S.D.A., Forest Service, is the owner of the land upon which the Place of Use (POU) is recommended (SESW, SESE, S22, T03N, R45E). It appears that the recommendation of Forest Service land as a POU is a typographical error and should be described on privately owned lands within NESW and NWSE, S22, T03N, R45E. Claimant's water claim should not include federal public land and the POU element should be clarified such that it is clear only private land is intended.
