Enclosed is the completed application in regards to item 4 and item 9 you requested.

As for the March 18, 1909 date of priority you have me puzzled. As far as I know this was Forest land until the original lodge was constructed in 1938. (Copy of letter enclosed). You may possess ~~more~~ ^{more} history than I have.

Also enclosed is a check for \$30⁰⁰ to make up the difference as a commercial venture.

Thanks

Lane Hathaway

P.S. Don't hesitate to call me if you need more info.

RE: Adjudication Claim

Dear Mr. Hathaway:

It appears that you are part of the current adjudication process. We are returning your Notice of Claim for more information.

Item number 4 – please list the _____ 1/4 _____ 1/4. A copy of a labeled map is enclosed for you use.

Item number 9 – please fill in the appropriate square for the place of use.

We will need some type of documentation to support the March 18, 1909 date of priority. Would you please supply us with some type of proof?

The filing fee for the \$25 fee domestic use is the use of water for homes, organization camps, public campgrounds, livestock and irrigation up to ½ acre of land, not to exceed 13,000 gallons per day. This does not include water for multiple ownership subdivisions, mobile home parks, commercial or business establishments. Since your operation is a commercial venture the fee is \$50 flat fee plus \$5 variable for a total of \$55.

Thank you for your cooperation.

Sincerely,

Kenneth Knoblock
Water Resources Agent
