RE: Snake River Basin Adjudication (SRBA)
Returned Check for Notice of Claim to a Water Right #74-2169

Dear Mr. Kruckeberg:

IDWR received your unnumbered check today from the Court, which you wrote February 17, 2006, long after your Motion to File Amended Claim was sent to the SRBA District Court and after you sold your property to Remuda Ranch. The check over two years old would never clear the bank and is the reason it is being returned.

Claim fees for this right still need to be paid. You see below Remuda Ranch is receiving a copy of this letter since they are the current owner.

Please submit another check for the claim fees to IDWR at your earliest convenience. Please write the claim number on your check.

Thank you for attending to this matter.

Sincerely,

Donald V. Shaft, MPA
Adjudication Bureau Chief

MEMORANDUM

Date: 4/30/09
From: Julie Murphy, SRBA Deputy Clerk
To: Danni Smith - IDWR
Subject: 74-2169 – Check

Per our phone conversation this morning, I have attached Mr. Kruckeberg's check for \$50.00 that he submitted with a *Motion to File Amended Notice of Claim* in the above-captioned water right number, filed with the court on 2/21/06. According to everything I read in the file, action on the *Motion to File Amended Notice of Claim* was never completed with an order, either granting or denying. A substitution of party filing was received on 3/21/07, naming 242 Remuda Ranch LLC the current claimant. An *SF5* was filed on 4/23/09 and a *Special Master Report* was filed on 4/29/09, recommending the right be decreed.
