RE: Coeur d'Alene-Spokane River Basin Adjudication Renumbered claim 95-9763 to 95-10474,
also concerning license 95-9856

Dear Mr. Brennan:

The identification number of your adjudication claim has been changed from 95-9763 to 95-10474. Nothing else on your water right claim has been changed. Please use the new number in future inquiries or correspondence you may have with our Department. We will report claim 95-10474 to the Court in a future director's report.

I sent an email to the email address you listed in the claim: rockongreenhouse@verizon.net. In case you did not get the email, or would prefer communication via letter, I had a few questions I'll repeat here.

1. Do you own the property formerly owned by Alice and David Durr?
2. Are you using the water only for in-home domestic use, or are you also irrigating the water? If you are irrigating, about how much are you irrigating?

My reason for asking is because Alice and David Durr filed for a license from the spring (water right 95-9856) and it appears it might be appurtenant to your property. I'm wondering if you want to claim the license instead.

I have enclosed a copy of your Notice of Claim which you may retain for your records.

Please contact me at (208) 287-4907 to discuss your claim so I can more clearly understand it.

Sincerely,

A handwritten signature in black ink that reads "Monica Van Bussum". The signature is fluid and cursive, with the first name "Monica" being more prominent.
