RE: SRBA Subcase No. 23-11C (*Lone Cedar Land & Cattle, LLC*)

Dear Claimant:

The above-referenced water right was reported in the *Director's Report of Late and Miscellaneous Claims for Irrigation and Other Water Rights*, which was filed with the SRBA Court on November 18, 2008. While the Certificate of Mailing shows that the Director's Report was mailed to you, during the discussions with the Court on April 30, 2009, I stated that I would provide an additional copy to make certain all of the parties received it.

If you should have any questions or comments, please feel free to contact me at (208) 287-4815.

Sincerely,
