RE: 94-7503

Dear Mr. Ford:

We have reviewed your Notice of Claim to a Water Right. You list the use as stockwater and the description states the irrigation of a lawn. The description should list the number of head that the water supplies.

If the use is irrigation of one acre, then irrigation should have been listed in item #6 with the irrigation season listed, such as, Mar. 15 to Nov 15. The filing fee for this use is a flat fee of \$50 plus \$1 per acre for a total of \$51. The difference is \$26.

We are returning you claim for clarification.

Sincerely,
