OTHER PROVISIONS NECESSARY FOR DEFINITION OR ADMINISTRATION OF THIS WATER RIGHT:

This exercise of this right does not grant any right-of-way or easement across the land of another.

This right does not constitute Idaho Public Utilities Commission or Federal Energy Regulatory Commission approval that may be required.

The diversion and use of water for hydropower purposes under this right is subject to review by the Director after the date of expiration of license 8278 (4/30/2035) issued by the Federal Energy Regulatory Commission. Upon appropriate findings relative to the interest of the public, the Director may cancel all or any part of the use authorized herein and may revise, delete or add conditions under which the right may be exercised.

This right is subject to the minimum instream flow requirement of the Federal Energy Regulatory Commission license for this project.

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.
