

Irrigation

Please fill out any applicable information. Any additional information you can provide will aid IDWR in making the most accurate recommendation possible.

Please describe your system (i.e., flood irrigate, gated pipe, pivot, hand line, wheel line, drip system, etc.):

Drip system

Ground Water		General Information	
Depth of well (ft):	<u>0</u>	Pump type/brand:	<u></u>
Depth of water (ft):	<u>0</u>	Pump serial number:	<u></u>
Drawdown (ft):	<u>0</u>	Pump horsepower:	<u>0</u>
Casing size (in):	<u>0</u>	Lift (ft):	<u>0</u>
Date well drilled:	<u></u>	Discharge pipe size (in):	<u>0</u>
Well driller's log available?	<u></u>	GPM capacity:	<u>0</u>
		Discharge psi:	<u>0</u>
		Number of handlines:	<u>5</u>
		Type of nozzles:	<u>hydrant</u>
		Number nozzles each line:	<u>5</u>
		Size of each nozzle:	<u>0.75</u>
		Flow Meter?	<u>No</u>
		Booster pumps?	<u>No</u>
