COMMUNICATION DOCUMENTATION

September 30, 1998

Regarding:

Customer:

A72-00230P

From: Vikie Hancock

[illegible]

In a phone conversation with Ruth Bruncker, (lot 16) I was informed that lot 17 just north of them and previously owned by Nancy Logar, had been sold to a Colleen Coyne, PO Box 2062, Ketchum, 622-5522. I sent a letter to Ms. Coyne and enclosed an Ownership Change form for her to complete and send back to us. Ruth also verified that they were sprinkler irrigating the lot owned by Coyne from the pump that they have put in the East Fork on their parcel, and that it was their horses that I saw in the pasture on September 2nd, 1998.

Brunkers have also purchased lot 15, previously owned by Bendio's, so I sent them an ownership change form, as well.

During this conversation, Ruth recalled that the dirt road going down from the paved county road to the subdivision lots in the vicinity of their lot 16, was put in around 1978 because she remembered driving down it to a gate, and then walking to their parcel. I told her that I was wondering when the ditch from Road Creek to lots north of the dirt road had been cut by the construction.

We also discussed the stage of the adjudication, and I informed her that, in the recommendation for their lot 16, the point of diversion would be located at the original subdivision diversion up by Cresto's, although we knew that they were pumping from the river, and had actually changed their point of diversion since the commencement of the adjudication. I mentioned that, to have their water right reflect reality, they needed to file an application for a transfer with the department, and have their point of diversion approved.

RE: Snake River Basin Adjudication (SRBA)
Claim Number: A72-00230U

Dear Mr. and Mrs. Brunker:

Thank you, Ruth, for your information yesterday on the new owner of Nancy Logar's lot directly to the north of you. I am contacting Ms. Coyne about it today. After I talked to you on the phone, I queried our data base here at the Department to see if we had updated information on the ownership of what was previously Bendio's lot. We had not, evidently, been officially notified that you purchased the lot, as it is still in Mr. and Mrs. Bendio's name. I am enclosing a Change of Ownership form for you to fill out and return to us, along with the requested additional documentation. When we receive this back, I can go ahead and change our records here, and insure that you receive all the information regarding the Adjudication Claim for this lot (number 15).

I also wanted to thank you for sharing your recollection about when the sub-division road was put in. After taking over Frank's position, I have been trying to get a good understanding of the water use along the East Fork, and some details like that help me a lot.

As I discussed with you, we are in the final stages of reviewing the claims in Basin 72, and should have our preliminary recommendations in the mail to you around mid-November. If you have any questions or concerns, please give me a call. I await your reply regarding the ownership change.

Sincerely,

Dear Brent,

Here are copies of the water rights as decreed in the SRBA for the East Fork Subdivision. It is possible that there are uses in the subdivision that were never claimed, or were inaccurately claimed, but this is how the water rights were legally decreed. Let me know if you have any questions.

RE: Snake River Basin Adjudication (SRBA)
Claim Numbers: A72-00230P and A72-00230U

Dear Mr. and Mrs. Brunker:

Enclosed please find a corrected copy of the GIS map outlining the place of use for both SRBA claims referenced above. Irrigated acres for claim 72-00230P increased by .5 acres. The increase for claim 72-00230U was an insignificant .05 acres, but is reflected in the boundary of the claim, none the less.

Also enclosed are updated copies of your recommendations. Claim 72-00230U has been amended to include stockwater, and the diversion rate for irrigation has been increased per my soil and climate analysis. Also note that the recommended diversion rate for claim number 72-00230P increased relative to the increase in acreage found. Please look these documents over carefully to make sure that you agree with the changes.

I would appreciate your sending the Notice of Error forms back to me, but barring any further communication from you, I will proceed with the recommendation of your claims to the SRBA Court as they now stand.

Thank you for attending the meeting in Challis on the 9th, it was a pleasure talking to you. As it looks now, the actual Director's Report to the Court should go out sometime toward the end of January 1999. If I can be of any further assistance to you, please don't hesitate to call.

Sincerely,

The rate per acre calculations are based upon a 300 foot run at a 2% slope. An 8 hour set time was also used. Individual graded border evaluations, soil characteristics work sheets, and peak irrigation diversion requirement work sheets have been created and archived separately for each soil type.

Where actual rotation is shorter than the optimal rotation, optimal rotation is the criteria to be used for the recommendation analysis and, therefore, the rotation percentage adjustment is not necessary. The rate becomes the acres per soil type times the rate per acre from the above chart.

MEMORANDUM

TO: Decree File No. 72-G -- James Bradshaw, et al., vs. Jacob Leuzinger, et al.
FROM: Roberta Garrett
THROUGH: Dave Tuthill
DATE: February 19, 1980
SUBJECT: Review of Fridolin Leuzinger's Decreed Rights on East Fork Salmon River

In the decree of 10-31-1921, James Bradshaw, et al., vs. Jacob Leuzinger and Fridolin Leuzinger, Fridolin Leuzinger was decreed 20 inches of the waters of Road Creek (4-1-1874) and 520 inches of East Fork Salmon River (4-1-1910) for lands identified in

T. 10 N., R. 18 E.

Section 13: NE4NW4, S2NW4, N2SW4, SW4SW4

24: NW4NE4, N2NW4

In the decree of 7-26-1933, Raymond Gossi, et al., vs. Phillip Gossi, Fridolin Leuzinger was decreed an additional 120 inches of the waters of East Fork Salmon River (5-1-1880) for lands not listed in the decree of 10-31-1921.

T. 10 N., R. 18 E.

Section 24: S2NW4, NE4SW4

The decree of 2-14-1938, Rosa A. Gossi, et al., vs. Paul Giampedraglia, et al. decreed rights on the East Fork Salmon River and named tributaries. Fridolin Leuzinger and his lands in the two prior decrees on East Fork Salmon River were enjoined in this decree:

T. 10 N., R. 18 E.

Section 13: NE4NW4 (11.36 ac.), S2NW4, N2SW4, SW4SW4

24: NW4, NW4NE4, NE4SW4

This decree supercedes all rights on the East Fork Salmon River leaving in effect all rights on Road Creek aka Marsh Creek in the decree of 10-31-1921 as this creek was not a named tributary in the decree.
