11. **I object because:**

- ☐ This water right should not exist.
- ☐ This water right was not recommended, but should be recommended with the elements described above.

E. REASONS SUPPORTING OBJECTION(S):

This water right should not exist. This water right is filed on the basis of IC 42-501 which provides that the BLM may appropriate for the purposes of watering livestock and water not otherwise appropriated on the public domain. The diversion has been changed from the original and is now capturing a live stream that is fully appropriated water.
