RE: Adjudication Claim No. 95-10252

Dear Permit Holder(s):

The Department of Water Resources is reviewing the claim referenced above. You have claimed a priority date of 2/1/1991. The Department will need a form of evidence to set that date in the recommendation. If you could supply a drillers report or something that states the date the well was first put to use it would be greatly appreciated.

Please reference Adjudication Claim No. 95-10252 with any reply.

If you have any questions, please call me at 208-762-2800.

Sincerely,

Chad H. Goodwin
Senior Water Resources Agent

ADJUDICATION CLAIM No 95-10252

Mr. Chad Goodwin

RECEIVED
MAY 28 2009
IDWR/North

In response to our phone conversation of yesterday 5/26/09 the following:

The closing date of my property purchase was 03/31/92. The date given of 2/1/1991 was an error on my part.

The well was already on the property and is one of the many wells drilled as part of the Walker subdivision to the best of my knowledge.

We started construction of our home-site at close of escrow. For reference the following

escrow: 42673 DM

date: March 24, 1992

Company Pioneer Title Co of Kootenai Cty

Thank you R. K. K.
