RE: 95-9959

We are returning your notice of claim to a water right. You state in Item #14 that the basis of your claim is water right license 95-9959. The date of priority in item #2 lists the date as 4/22/2009 this does not match the priority date listed on the license which is 9/19/1995. The date on the claim should be the same as the date on license. We suggest that you make the necessary change on the claim form.

Sincerely,
