RE: Field exams in response to objections to SRBA claims 75-14095, 75-14097, 75-14162, 75-14163, 75-14164

Dear Claimant:

Due to objections to recommendations for water rights on lower Wallace Creek, IDWR needs to conduct a field examination for each water right. I will be in the area conducting field exams from Monday, June 15, through Friday, June 19, and would like to schedule an appointment for your field exam.

Please contact me to set up an appointment. You can contact me in the Boise office at (208) 287-4907 or, once I get to Salmon, at (208) 283-9962, to schedule your appointment. I encourage you to be present at the field exam, or have a designated representative present.

Respectfully submitted,

Monica Van Bussum
Sr. Water Resource Agent
