IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE

Case No. 39576

Subcases: 1-5, 1-16, 1-210, 1-212, 1-213,

**NOTICE OF GROUND WATER
DISTRICTS' WITHDRAWAL OF
OBJECTIONS TO THE NORTH SIDE
CANAL COMPANY WATER RIGHT
RECOMMENDATIONS**

The Aberdeen-American Falls Ground Water District, Bingham Ground Water District, Bonneville-Jefferson Ground Water District, Carey-Valley Ground Water District, Jefferson Clark Ground Water District, Madison Ground Water District, (collectively "Ground Water Districts") acting for and on behalf of their members, hereby give notice of withdrawal of their objections to the above-referenced North Side Canal Company (NSCC) water right recommendations in the SRBA.¹

¹ North Snake Ground Water District and Magic Valley Ground Water District did not file Objections to NSCC's water rights.

This withdrawal by the above-referenced Ground Water Districts is made at the request of North Snake Ground Water District (North Snake) and Magic Valley Ground Water District (Magic Valley) as a show of good faith and to enhance their working relationship with NSCC. This year and in previous years, NSCC has entered into short-term, one-year conveyance agreements to convey through the NSCC delivery system storage water leased from the Upper Snake Reservoir System and delivered to certain members of North Snake and Magic Valley that have converted acres of their land from ground water irrigation to surface water irrigation (commonly known as "conversions") as a part of mitigation plans in Water District 130 established by North Snake and Magic Valley and approved by IDWR. This withdrawal of the Ground Water Districts' Objections is made upon the grounds and for the reasons that NSCC has committed to renew and convert the short-term Water Conveyance Agreements into long-term Agreements to support the conversion acres and mitigation plans on a long-term basis.

DATED this 8th day of June, 2009.
