POOL HOURS:

12 NOON -- 10 P.M. WEEKDAYS
10 A.M. -- 10 P.M. SAT. & SUN.

Less than one hundred years ago the Shoshone Indians lived in the nearby foothills and used the spring for baths. Later some of the early settlers built bath houses for men and women and in approximately 1926 the pool was built.

Today there is a large commercial swimming pool 125' x 50' fed by the 99° artesian spring. There is a big slide and two diving boards, one is two meters, and the other, one meter. In 1979 a 10 man outdoor spa was installed, that is fed directly from the spring, maintaining a continual 99° temperature.

There is plenty of room by the pool to just relax and sun bathe. We have a snack bar, arcade room, large shaded picnic grounds with Bar-B-Ques, and a grassy shaded campground. Perfect for FAMILY REUNIONS, Church groups, Boy Scouts, Company Parties and Father and Sons picnic. Covered areas for reunions are also available.

An Oasis

Nat-Soo-Pah is an Indian name meaning "Magic Mineral Water."

Less than a hundred years ago the Shoshone Indians lived in the nearby foothills and used the spring for baths. Later some of the early settlers built bath houses for men and women and in approximately 1926 the pool was built.

Today there is a large commercial swimming pool 125' x 50' fed by the 99° artesian spring. There is a big slide and two diving boards, one is two meters, and the other one meter. In 1979 a 10-man outdoor spa was installed, that is fed directly from the spring, maintaining a continual 99° temperature.

1983 saw the completion of a beautiful outdoor "Hot Soak Pool" enhanced by an attractive redwood deck. The soak pool maintains a temperature of 104° to 106° and can accommodate 25 people. In 1985 we added a new Slide-a-Ride waterslide, that shoots you into the pool.

There is plenty of room by the pool to just relax and sun bathe. We have a snack bar, arcade room, large shaded picnic grounds with Bar-B-Ques, and a grassy, shaded campground. There are 75 total campsites, 29 OF WHICH ARE FULL HOOKUP. The tent area is grassy and shaded also. We have warm showers and toilets for the campers, also a DUMP STATION. Perfect for FAMILY REUNIONS, Church groups, Boy Scouts, Company Parties and Father and Sons. Covered areas for reunions also available.

Nat-Soo-Pah is one of the cleanest and quietest facilities of its kind anywhere.
