RE: Coeur d'Alene-Spokane River Basin Adjudication claim 95-10126 Violation of the Mandatory Permit Statute

Dear Claimants:

The Idaho Department of Water Resources (IDWR) is currently in the process of reviewing adjudication claims in your area. Initial review of your claim indicates the priority date claimed is in violation of the Mandatory Permit Statute for the water source and purpose of use claimed.

The permit system for establishing a water right became mandatory for uses developed from ground water after March 25, 1963 (except for domestic purposes as defined by Section 42-111, Idaho Code).

The priority date claimed indicates that use of water for the purposes claimed began after March 25, 1963. Because a water right was not previously established under the permit system, an "Application for Permit" form should be filed instead of this claim. The adjudication claim fee you paid can be applied to the fee for the application for permit.

For your convenience, I am enclosing an Application for Permit form and a Claim Withdrawal form. The completed forms can be submitted to the IDWR office in Coeur d'Alene located at:

IDWR
7600 N MINERAL DR SUITE 100
COEUR D ALENE ID 83815

Please do not hesitate to contact this office if you have any questions or concerns.

Sincerely,

Craig Saxton
