RE: Notice of Change of Water Right Ownership - 74-179C, 74-180B, 74-15520.

Dear Nate:

In reviewing the Department's files in the above referenced subcase numbers, I found that a Notice of Change of Water Right Ownership had been submitted by Eagle Valley Ranch on these particular water rights. However, it appears that perhaps this documentation was lost. Just in case, I have prepared an Amended Notice of Change of Water Right Ownership to correctly reflect that there is to be a split with 74-180B. Attached are the Deeds that were recorded two years ago. I understand this gets all confusing now that the Vincents have filed a Notice of Change of Ownership on 74-180B and 74-179C. After we get the Partial Decree issue fixed, it thereafter seems that these water rights can then be amended. If you have any questions, please let me know.

Best Regards,

Robert L. Harris
