Subcase No. 21-51B

Case No. 39576

STIPULATION TO PARTIALLY RESOLVE OBJECTION

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The claimants and IDWR agree and stipulate that the place of use element of this water right should be described per the attached. The claimants and IDWR have further indicated their concurrence by initialing each of the attached pages. This stipulation resolves only the claimants' objection to the number of irrigated acres within the place of use. It does not resolve the claimants' objection to the quantity element of this right.
