RE: Subcases 75-14437 (Yanoff), 75-14438 (Yanoff), 75-14440 (Yanoff), 75-14162 (Farley), 75-14163 (Farley), 75-14269 (Lewis), 75-14432 (Maxwell), 75-14434 (Maxwell), 75-14095 (Farley), 14097 (Farley), 75-10330 (Maxwell), 75-14381 (Fredde Howarth-Nott Separate Property Trust) & 75-14383 (Fredde Howarth-Nott Separate Property Trust)

Dear Special Master Dolan:

I am writing regarding a deadline to submit Amended Director's Report for the above-referenced subcases by June 19, 2009. The Department of Water Resources ("IDWR") is continuing its effort to investigate the above-reference claims. However, due to weather conditions and the need for additional information from some of the claimants, IDWR will not be able to meet the June 19, 2009 deadline.

IDWR would like to request an extension of time to file the Amended Director's Reports to July 31, 2009. In addition, IDWR would like to request that the Court re-set the objection deadlines and status conferences to ensure that the objection deadlines have run before our next status conference on these rights.

Thank you for your consideration in this matter. Should you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Baxter", written over a horizontal line.

GARRICK BAXTER
Deputy Attorney General
Idaho Department of Water Resources
