RE: Notice of Claim to a Water Right
Civil Case No. 49576
Water Right Nos. 95-9309 & 95-9498
Coeur d' Alene - Spokane River Basin Water System

Ladies and Gentlemen:

Our office represents Prairie Crossing West II, LLC who is the owner of the above referenced water rights. Pursuant to the commencement notice which we recently received and which indicated that a Notice of Claim to a Water Right is required to be filed for water rights in the above referenced basin water system, on or before September 18, 2009, we are enclosing to your office herewith the following:

1. Notice of Claim to a Water Right for existing Water Right No. 95-9309; and
2. Notice of Claim to a Water Right for existing Water Right No. 95-9498.

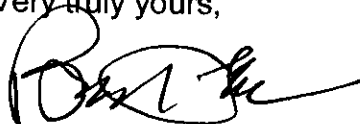

We are also enclosing our check for the filing fee of these two claims which we have calculated pursuant to direction from your office as follows:

Flat Fee for Each Claim (\$50 x 2) =	\$100.00
Variable fee for 150 acres at \$1 per acre =	\$150.00
(each acre is charged only once and both claims cover same acreage)	

Total Fee	\$250.00
------------------	-----------------

Please let me know if you need any additional information or documentation in order to determine that each of these claims is complete for your filing purposes.

Very truly yours,
