

2009 JUL 8 AM 11 36

IDWR reported that this language should be deleted because IDWR does have information about historic beneficial use for this right. The Court set a deadline of March 27, 2009 for any party to the subcase to file an Objection to removal of the language from the *Partial Decree. Order Setting Deadline and Status Conference*. (February 6, 2009)

No objections were filed, and the time for filing such objections has now expired. Therefore, it is appropriate that the SRBA District Court set aside the *Partial Decree* and enter an *Amended Partial Decree* which merely deletes the above referenced language.

### III. CONCLUSIONS AND RECOMMENDATIONS

Therefore, based on the file and record herein, IT IS RECOMMENDED that the *Partial Decree* be set aside and that this water right be decreed with the elements set forth in the attached *Special Master's Recommendation for Amended Partial Decree*.

Dated: July 8, 2009.
