RE: Snake River Basin Adjudication (SRBA)
Motion to set aside a partial Decree for 67-313
Motion to file Late Notice of Claim

Dear Mr. Yantis,

Per our conversation I am sending you quite a bit of information. In order to pursue ownership of water right 67-313, you will need to file a late claim for 67-313, and ask the SRBA court to set aside the partial decree for 67-313 in the name of Cornelius G Nielsen.

I am enclosing a **Motion to File Late Notice of Claim** form and a **Notice of Claim to a Water Right** form. Complete and mail both forms to all of the parties listed on page 6 of the Motion to File Late Notice of Claim form. The filing fees should be sent to the SRBA court along with the original documents.

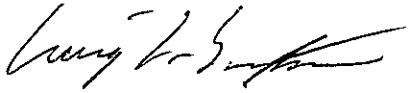

Separately, you need to write a letter to the court informing them that the partial decree for 67-313 in the name of Cornelius G Nielsen is wrong and that it is your water right. Basically, explain in the letter what you told me. Be sure to mention that you are filing a late notice of claim for 67-313.

For your convenience I am enclosing a copy of the SRBA Partial Decree for 67-313 as well as a copy of 67-313 as it was decreed in 1918.

Finally, you had mentioned you did not have a lot of the Renwick water right documents. I am enclosing copies of the water rights in the name of Margaret and James Renwick. I just thought that you might want to look them over. If you found something you disagree with, you should bring that to the courts attention ASAP.

Please feel free to contact me with any questions.

Sincerely,

Craig L. Saxton
