RE: 95-9959

We are returning your notice of claim to a water right. You state in Item #14 that the basis of your claim is water right license 95-9959. The date of priority in item #2 lists the date as 4/22/2009 this does not match the priority date listed on the license which is 9/19/1995. The date on the claim should be the same as the date on license. We suggest that you make the necessary change on the claim form.

Sincerely,

Kenneth Knoblock
Water Resources Agent

Thank you for bringing this to my attention. Does this now transfer the rights to my name?
