Re: Snake River Basin Adjudication (SRBA)
Claim 24-7001

Subject: EVIDENCE OF OWNERSHIP

Response Date: 11 JULY 2005

Dear Claimant(s):

Thank you for responding to our second request for the Ownership Change and deeds evidencing your ownership. We did receive two deeds: One Warranty Deed wherein you and Pamfilia Wright purchased the property from Ferrin and June McGavin. However, the Quitclaim Deed wherein Pamfilia Wright transferred the property to you does not refer to the property in question. The "Exhibit A" that is attached to the Quitclaim Deed refers only to property located in Sections 16 and 21, not Sections 27 and 28. If it is your intent to have the right solely in your name, please provide documentation wherein Pamfilia transferred the property to you as the sole owner.

If we do not receive property documentation we will change the name to both you and Pamfilia Wright.

Respectfully,

Barbara Payne

SECOND REQUEST

Re: Snake River Basin Adjudication (SRBA)
Claim 24-7001

Subject: OWNERSHIP CHANGE

Response Date: 20 June 2005

Dear Claimant(s):

We have been advised you are the current owner of the property and water right referenced above. Before we can modify our records to reflect your ownership of the property and water right, we need Form 42-248/42-1409(6) completed and returned. I have enclosed this form for your use.

I have also enclosed a copy of this water right claim, as we will recommend it to the SRBA Court. In the adjudication review process there is no filing fee. However, we will need a copy of the plat, survey map or aerial photo with the appropriate area marked and a copy of the warranty deed.

Please feel free to call me at 547-3993 if you have any questions.

Respectfully,

Barbara Payne

I called the Freedom post office and they advised that the letter was returned because we had a "return service requested" on the envelope. They cannot forward mail with a service request on the envelope. I applied white out on that statement on the envelope and resent the letter with new response date.
