Case No. 39576

**SPECIAL MASTER'S REPORT AND
RECOMMENDATION REGARDING
CORRECTION TO PARTIAL DECREE**

WATER RIGHT: 27-04126
(Blotter)

I. PROCEDURAL BACKGROUND

The SRBA District Court issued an *Order of Partial Decree* for the above listed water right. After the *Director's Reports* for Basin 27 were filed, the Idaho Department of Water Resources conducted a review of its recommendations. During that review, IDWR discovered that some corrections were needed and notified the Court.

On November 18, 2008, IDWR sent a letter providing the Court with additional information about the necessary corrections. The letter was served on the parties to the subcases. The IDWR letter identified this subcase as having an error in the *Director's Report* which was carried over to the *Partial Decree*. The error involved incorrect language regarding historic beneficial use for stockwater. Presiding Judge John Melanson issued an *Order of Reference Appointing Special Master Brigitte Bilyeu*. A hearing was held on January 30, 2009.

II. FINDINGS OF FACT

At the hearing held on January 30, 2009, IDWR reported that the *Partial Decree* should be set aside. IDWR explained that the *Partial Decree* incorrectly included the following language:

The quantity of water decreed for this water right is not a determination of historical beneficial use.

IDWR reported that this language should be deleted because IDWR does have information about historic beneficial use for this right. The Court set a deadline of March 27, 2009 for any party to the subcase to file an Objection to removal of the language from the *Partial Decree. Order Setting Deadline and Status Conference*. (February 6, 2009)

No objections were filed, and the time for filing such objections has now expired. Therefore, it is appropriate that the SRBA District Court set aside the *Partial Decree* and enter an *Amended Partial Decree* which merely deletes the above referenced language.

III. CONCLUSIONS AND RECOMMENDATIONS

Therefore, based on the file and record herein, IT IS RECOMMENDED that the *Partial Decree* be set aside and that this water right be decreed with the elements set forth in the attached *Special Master's Recommendation for Amended Partial Decree*.

Dated: July 31, 2009.
