Claim 24-10035**Subject: EVIDENCE OF PRIORITY CLARIFICATION****Response Date: 6 DECEMBER 2004**

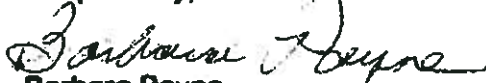

Dear Claimant(s),

Thank you for returning the Notice of Change in Water Right Ownership as well as copies of documents from Caribou Land Title, Inc. Although the Notice of Change in Water Right Ownership is correct, the other documents do not supply the necessary documentation to provide proper evidence of priority to support the July 1, 1925 priority date.

We need a copy of all deeds that show a clear chain of title from the claimed priority date to the time you acquired the property. We also need a copy of the plat, survey map or aerial photo with the appropriate area marked. The documents must indicate that the water has been continually used for the same time period on the basis as claimed.

Please submit the documentation by the above response date referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter please feel free to contact me at 547-3993.

Respectfully,

Barbara Payne
