RE: Renumbered Notice of Claim A24-10031 ..

Dear Mr. Haderlie:

The number assigned to one of the Notices of Claim you filed on February 13, 1990 had already been used. Consequently, to resolve the problem of having a duplicate water right number, we have renumbered your Notice of Claim from A24-10034 to A24-10031.

Please keep the enclosed Notice for your records and please be sure to note this number change on your copy of the original Notice. As always, feel free to contact our office if you have any questions regarding this matter.

Sincerely

Ernest Carlsen
