RE: Water Right 95-87

Dear Mr. Haynes:

Attached is our Notice of Claim to a Water Right. Thank you for your assistance in instructing me how to proceed to file it on line. I was not successful in adding my name as a Claimant along with my husbands - so I just used his name. *on line*

You advised me to send this claim to your attention because ne fee was required. Thank you for giving us that option.

Sincerely,

Mary Lou Johnson
