RE: Snake River Basin Adjudication (SRBA) claim 75-2091N

Dear Claimant:

As you may be aware, I have been reviewing water rights from the North Fork and Friedorf Gulch in response to an objection filed earlier this year. I have been specifically reviewing rights based on license 75-2091.

To complete my review, I need to conduct field exams for all the rights based on license 75-2091. A field exam is simply a review of how water is used on the property. I will be visiting the point(s) of diversion, areas where water is used and talking with water users on the ditch(es). I will be in North Fork doing these field exams from Monday, August 24, to Friday, August 28, and need to schedule an appointment with you.

Please contact me to schedule an appointment for your field exam. You can reach me at (208) 287-4907 or by email at monica.vanbussum@idwr.idaho.gov. Of course, feel free to call with questions, as well.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
