RE: SRBA Subcase Nos. 22-180A, 22-365, 22-575A & 22-2057 (Zohner)

Dear Mr. Rigby:

Recently, I received signed SF5s from your office concerning the above-referenced water rights. I didn't receive the revised recommendations for water right numbers 22-365, 22-575A or 22-2057. I am enclosing the original SF5s with a copy of the revised recommendations that I sent to you on November 10, 2008. If you could please initial the revised recommendations and return the SF5s to me, I will forward them to Mr. Kunz for his signature.

I will hold the SF5 for 22-180A and circulate it with the other SF5s when I receive them.

If you should have any questions or comments, please feel free to contact me at 287-4815.

Sincerely,

A handwritten signature in cursive script that reads "Ray Williams".

	)	WATER RIGHT

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be described per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages.
