Do this a.m.

I'm sorry, I should have clarified that the p/d for 63-33197 is aka 63-4220B. Thanks Sally.

Hey, Lori. I've finally found the time to get back on this project, and, guess what? You sent me the wrong files. I need the POD for 63-33197, not 63-4220B. We'll try this again. Thank you and I hope your summer is going well(er) now that it apparently is drying up a bit! Take care
