COMES NOW, the Claimant North Side Canal Company ("NSCC"), by and through counsel of record, and moves the Court to extend the deadlines for IDWR to file a Director's Report concerning NSCC's amended claim in the above referenced subcase, and for filing objections to that report as follows:

Director's Report deadline **Friday, October 23, 2009**

Objections deadline **Friday, November 20, 2009**

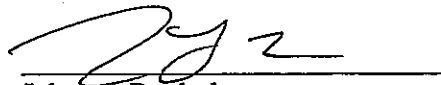

NSCC has forward information to IDWR regarding a proposed amended claim. Counsel and the consultant for NSCC held a teleconference meeting with IDWR on August 24, 2009 to discuss the progress on the review of the proposed amended claim. NSCC plans to undertake

additional review at IDWR's direction. Accordingly, in order to give NSCC and IDWR sufficient time to continue the review of the proposed amended claim and issue a Director's Report, additional time is needed beyond the deadlines set in the Court's May 21, 2009 *Order Granting Motion to Amend Claim and Setting Deadlines and Trial*.

Counsel for NSCC has contacted IDWR and counsel for the State of Idaho and both entities have represented that they do not oppose this motion. The parties agree to revisit the trial schedule at the end of the objection period in order to accommodate any additional discovery. Accordingly, NSCC respectfully requests the Court to extend the deadlines noted above.

DATED this 26th day of August, 2009.
