Case No. 39576) ORDER REQUESTING AMENDED

) ORDER SETTING STATUS
) CONFERENCE

A scheduling conference was held in the above-captioned subcase on August 25, 2009. At the hearing the representative of the Idaho Department of Water Resources stated that the recommendation was in error in that the *Director's Report* recommended both an instream stockwater purpose of use and an irrigation purpose of use under the same right number; whereas it is the policy of IDWR to not recommend diversionary and non-diversionary water rights under the same water right number.

In accordance with the foregoing, the following are hereby ordered:

- 1) IDWR shall file *Amended Director's Reports* for the above-captioned water right claim no later than **September 30, 2009**.
- 2) Notice of the filing of the *Amended Director's Reports* shall be published on the Court's Docket Sheet in October, 2009. Objections to the *Amended Director's Report* shall be filed by **October 28, 2009**, and responses by **November 11, 2009**.
- 3) The objection previously filed by the Twin Falls Canal Company shall not survive the filing of the *Amended Director's Reports*, and therefore the TFCC is required to file new objections.
- 4) The previously scheduled trial is **vacated**.

5) A status conference will be held on **December 1, 2009 at 2:30 PM** Mountain Time at the Snake River Basin Adjudication Courthouse, 253 3rd Avenue North, Twin Falls, Idaho. Parties may participate by telephone by dialing 225-383-1099 and when prompted entering the code 675342.
