In Re SRBA

Subcase No. 63-32536

Case 39576

AFFIDAVIT OF JEFF LORD

STATE OF IDAHO

SS.

COUNTY OF ADA

Jeff Lord, being first being duly sworn upon oath, deposes and says:

- (1) I am Jeff Lord, the son of the water right claimant in this matter.
- (2) I have lived on the property that includes the claimed place of use for Water Right

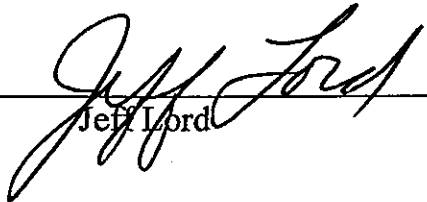

No. 63-32536 since I was born in 1956, except for brief periods of time.

(3) I am familiar with the historic ditch diverting from West Slater Creek and from unnamed streams tributary to West Slater Creek and the historic constructed pond that remain in place today to divert and apply the water claimed under Water Right No. 63-32356. The place of use claimed for Water Right No. 63-32536 continues to be used for irrigated pasture and for growing hay to the present day.

(4) On or about June 15, 2009, I met with Jan Shurte of the Idaho Department of Water Resources concerning the use of water under Water Right No. 63-32536. Based on that meeting, I believe that the Amended SRBA Claim for Water Right No. 63-32536 submitted contemporaneously with this Affidavit better describes the sources and points of diversion for this water right than the original SRBA Claim filed on October 30, 2006.

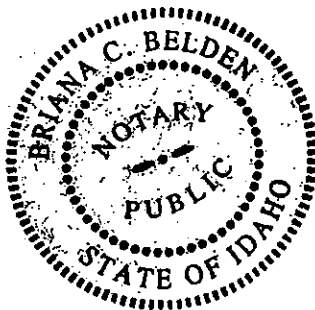

FURTHER YOUR AFFLIANT SAYETH NAUGHT.

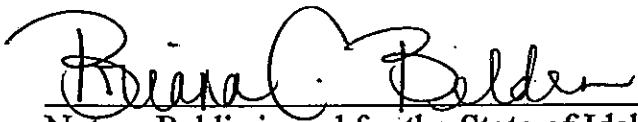

DATED this 31st day of August, 2009.

Jeff Lord
